Program Policies

If for some reason a player has to withdraw from a session due to injury, illness, or personal reasons, you must contact the Tennis Director or Program Coordinator immediately to ensure that credit begins. If it is known in advanced that a player will miss any time during a session, please notify the Tennis Director or Program Coordinator at the time of registration. This is the ONLY time the full session fee can be prorated. Otherwise, the individual would have to buy a half-session or do drop-ins for the desired class. Any outstanding fees related to the program or court rentals are subject to an additional charge. We reserve the right to consolidate or cancel any class. Cardio tennis classes must have at least four players to run. For other classes if less than three players are present the length of the class may be adjusted for that particular class.
